VOL 11 NO 39 WEDNESDAY, OCTOBER 7, 1970

P.O.BOX 263, St.Albert
Registration No.1930

The St. Albert High School Graduating Class of 1970, photographed at the graduation exercises held Friday, October 2 at the school. Following the formal exercises and presentations of awards and diplomas, the grads were joined by the student body for a banquet and dance at the Bonaventure Motor Hotel.

Grads earn many awards

Awards - On Friday night graduation exercises at St. Albert High School preceded the banquet and dance given at the Bonaventure. Awards were given out in the gym and Don Labelle presented the St. Albert School Board scholarships for general proficiency to Simmonne Borle - $125; Elaine McRae - $100; and Elaine Soetart - $75.

Mr. Labelle also presented the subjects awards of $50 to Beatrice Lefebvre, Accounting 30; Marie Bergevin, Biology 30; Rose Mary Nolte, Business Machines 30; Casey Muskins, Chemistry 30; Eric Joly, English 30; Monique Bernard, English 33; Claude Carigan, French 30; Elaine McRae and Elaine Soetart, Math 30; Rose Mary Nolte, Office Practice 30; Elaine McRae, Physics 30; Simmonne Borle Social Studies 30; and Joan Savoie, Typing 30.

Claude Carignan received the CWL scholarship award presented by Mrs. B. O'Kell for obtaining the highest marks in a Grade 12 departmental subject.

Simmonne Borle received the St. Albert Medical award presented by Dr. Mirlin on behalf of the Associate Medical Clinic, as the most deserving student from the current Grade 12 class entering any of the occupations associated with medical arts.

Mr. Wood presented the high school honor scrolls to Marie Bergevin, Claude Carignan, Denise LeBlanc, Edna Lundgard, Elaine McRae, Casey Muskins, Anthony Rapati, and Elaine Soetart.

Little Brier
Gervais - Northcott
Saturday, Oct. 17

The Friendly Giant Inn was packed to the rafters for its second annual opening Friday evening, as some 175 curlers from town and country turned out to launch the new season.

Emcee Bob Hudson's surprise announcement drew loud applause. Hector Gervais and Ron Northcott with their Brier rinks will meet in St. Albert rink on October 17, when game time is 8 p.m. Hec will have Dr. Bill Mitchell, Wayne Sabo and Bill Tanish and with Ron are Dave Gerlach, Fred Storey, and Don Pottinger.

Peewee Quintal and Paul Majeau of Calahoo proved highly popular entertainers with their guitar and singing talents. The new stereo sound system was also terrific and St. Albert rink need take second place to none in this respect. Music was great for dancing but floor space grew smaller and smaller as more curlers kept arriving at the lounge.

The executive got their full support for the program outlined.

Election rally presents fine opinion forum

A crowd of 50 gathered in the Community Hall last night to hear the views of three prospective town councillors and five candidates for the public and separate school boards.

Mr. Garth Peterson was chairman for the evening.

The three candidates for town council all spoke on two main issues -- those of amalgamation and condominiums.

Mr. Tom White and Mr. Les Moorby were both opposed to St. Albert's erecting condominiums. Mr. White said that apart from their unattractive appearance he thought there was a definite fire hazard in the narrow streets and there was insufficient room for the children they housed to play. Mr. Moorby described the condominiums as "ready made slums." He described how he had seen this happen in English cities. Mr. Bob Hudson, on the other hand, supported the building of condominiums so long as the council did not permit their construction to get out of hand. He said condominium dwellers paid their way as well as paying $8 per month to the upkeep of the whole building.

Mr. White was in favor of providing more parks in view of St. Albert's predominantly young population. Mr. Hudson compared St. Albert favorably with Edmonton in its recreational provisions. He thought the number of facilities were adequate for the population now, but that these existing facilities should be upgraded.

All three candidates were opposed to St. Albert's amalgamation with Edmonton. They mentioned Edmonton's increasing capital expenditure with the consequent increase in taxation, and Mr. Hudson said that close on the heels of increased growth would come industry and pollution.

Mr. Moorby opposed amalgamation on the grounds that St. Albert was going somewhere on its own. He expressed his interest in seeing the waterways of the Sturgeon River development with a possible view to St. Albert having its own water supply. He said he would also like to see a shopping outlet for the people of Sturgeon.

There were two candidates for the one seat on the public school board - Mr. Norman Lynch and Mrs. Sylvia Walsh

Mr. Lynch defined the board's first duty as being to the children, then to the parents and then to the taxpayer. He said that educational standards were rapidly changing, and while the board must always endeavor to maintain good standards, it must also keep the cost to the taxpayer in mind.

Mrs. Walsh said that with more and more students choosing to remain in school, and with the town's program of expansion, it was becoming increasingly necessary to extend classroom facilities and staffing. Such extensions, she pointed out, would cost money, but standards and costs in education must

VOTING QUALIFICAT IONS

Voters must be the full age of nineteen years.

Voter's name should be on the assessment roll
OR
Voter must be a Canadian citizen or British subject who has resided within the polling district for one year prior to October 14. A person who may have worked part of the year out of St. Albert, but whose principal place of residence has been in St. Albert for a year or more, qualifies. Voters not on the assessment roll but meeting these qualifications may be sworn in and vote at the Town Hall.

In the case of school board candidates each voter votes for either the public school board OR the separate school board candidates of his choice.

See map on page 4 for location of your poll.

Polls will be open on Wednesday, October 14 between the hours of: 10 a.m. - 8 p.m.

Arena shell almost completed

"We expect to complete our contract for the arena shell by October 21," said Mr. Harold Rattai of Norway Construction Tuesday, adding that really foul weather could upset the applecart. The original contract, signed last January called for the shell to be completed by November 1st.

"In order to have the price fit into the budget, we had to try some new methods for this building," Mr. Rattai stated. The theatres and recreation branch of the provincial government rejected some of the proposed construction. Frame and stucco construction for the side walls was then suggested by the contractor, since this type of wall was permitted under the contract. Mr. Jim Roberts, building inspector for the town wanted concrete block sidewalls, as did the arena committee, and contractor Rattai conceded to this request. These walls are now completed and insulated as well, as is the roof. Appearance is very similar to the original drawings.

Norway Construction has had up to 18 men at a time at work on the project, including a number of local men and the firm also hired local sub-contractors for painting and welding work. Preference was given local firms providing prices were low.

"All we need now to finish up is a bit of good weather - and I think we'll get it," said Mr. Rattai.

CWL project will aid Oxfam

The members of the St. Albert Catholic Women's League will join with all CWL councils throughout Edmonton in a one-day selling blitz of Oxfam Christmas cards. This pilot project is being held through the co-operation of Safeway Stores, who have agreed to allow CWL ladies to sell from every store in the Edmonton area, all day, Saturday, October 17.

Twelve attractive sets of cards will be featured and will sell for $1.50 or $2. Also being sold are "gift tags" and tea towels. Money raised throughout Canada will go towards the Oxfam goals of combating hunger, poverty, disease and illiteracy in 120 countries, and that portion raised in Edmonton is specifically designated for use in Peru.

The Candidates

FROM PAGE 1

constantly be in review.

Contesting the seat on the separate school board were Mr. Alex Sollanych, Mr. Bill Penrose and Mr. E. A. (Dave) Davis, who was unable to attend the meeting, but who had prepared a speech for it which was distributed.

Mr. Sollanych expressed his interest in saving the taxpayer's dollar by the combined purchase of supplies by the two school boards He was also in favor of school boards' taking advantage of a central pool of information for the use of school buildings and using trained personnel in non-teaching roles to relieve teachers for their duties as teachers only.

Mr. Bill Penrose said, that having served on the board he was aware of what funds were available, he knew trends in education, had the students' interests at heart and would commit himself to do his school homework in keeping up with new developments in education. He felt that this homework was vital to the work of a trustee and in addition a board member needs to be a salesman to promote those programs he feels vital.

Mr. Davis's speech, distributed to those attending the meeting, outlined his will to keep the cost of education within available revenues, with more and better communications between the school boards and the taxpayer. So long as the town's "excellent standard of education is not jeopardised," Mr. Davis felt spiralling costs must be curtailed wherever possible.

A question from the floor was addressed to the candidates for the school boards about their feelings regarding the combining of the schools at the high school level.

Mr. Bill Penrose said that this topic had been discussed in the past but had never got past the discussion stage. "Somebody has got to take the first step," he said.

Mr. Norman Lynch felt that a study should first be made and some intelligent answers obtained before any decision was made in this matter, while Mrs. Sylvia Walsh expressed her total concurrence with amalgamation at both high school and junior high levels. Mr. Sollanych said that as long as the scheme held advantages for both parties, and was not excessive in cost he would support it.

A question addressed to Mr. Penrose asked if the present separate school board had any plans for providing for special training such as vocational. He replied that in St. Albert there were insufficient pupils to warrant such a training, especially as full facilities were provided for them within the Edmonton school system.

Mr. Bob Hudson was asked if he felt that the dressing room facilities at the skating rink were adequate in view of the fact that they catered for 200 children every Saturday morning.

He replied that he thought provisions in the town for skating were adequate, but this did not mean that improved changing facilities at the rinks would not be desirable.

A question to prospective town councillors regarding their views on Western Bus Lines proposed new route to serve Braeside and Alcan Development was discounted by the chairman, as out of order.

Space and time following a Tuesday night meeting do not permit an extensive coverage of candidates remarks. Testing the reaction of a number of people in the audience we found that those who attended were much impressed with the fact that so many candidates of such fine calibre had come forward. Although attendance of between 40 and 50 citizens is an improvement over many previous political forums held here, it is unfortunate that a great many more people were not present for a fine presentation by a strong group of candidates ready to serve the community on town council and two local school boards.

First woman enters PC race

As a result of encouragement from many local residents as well as prominent provincial conservatives Mrs. Barbara Wheatley will contest next month's St. Albert Constituency Conservative Nomination Convention.

Mrs. Wheatley was born in Edmonton and is a graduate of the University of Alberta School of Nursing with a Bachelor of Science degree. From 1963 to 1967 she was a public health nurse with the Sturgeon Health Unit. She feels that her work with both urban and rural families in this area has given her a good knowledge of the problems in this constituency.

She has been very active in community affairs in the St. Albert District and has also held executive positions with the Canadian Public

BARBARA WHEATLEY

Health Association (Alberta Division) and the local chapter of the Alberta Association of Registered Nurses of which she was the founding president.

In addition to her concerns in the health and social development fields she sees problems vitally affecting this constituency in the major areas of agriculture, municipal affairs, education and pollution. Also, of importance, according to her, is the absence of an MLA to express the views and problems of Alberta's thousands of younger married women with families. In her opinion a new government under Peter Lougheed will come up with the best policies for Alberta in the 1970's.

Mrs. Wheatley is married with two children and has lived in St. Albert for six years.

Her campaign committee numbers are: 599-3734 -- 599-3894.

Well known farmer seeks PC nomination

As a life long resident farmer of this district, I have always taken an active interest in the Conservative Association, and this year have decided to seek the nomination in St. Albert constituency.

I am 52 years old, born and raised in the St. Albert district from pioneer parents, who came west in the eighteen hundreds and settled three miles outside the town of St. Albert.

Farming 1,000 acres, part of which is my father's original farm, I have made agriculture my main livelihood with the help of my family. The banks of the Sturgeon valley with the fertile soil we have there has made agriculture good to us.

I have been fortunate to serve on municipal government for 19 years including a number of years with the Sturgeon school division. The experience of acting as chairman of countless committees and departments of the municipality has been invaluable.

One of the most satisfying positions of late is that of chairman of the Sturgeon General Hospital; which we have just completed and opened for service to the public. I have had the pleasure of meeting with every provincial government departments to discuss business arising out of our municipality; the departments of municipal affairs, health, education, agriculture, highways and welfare to mention a few.

I have belonged to the Conservative Association in this constituency for many years, both provincial and federal. The experience I gained while I was president

JOHN WILLIAM FLYNN

of the St. Albert Progressive Conservative Association will be a great asset to me.

The encouragement I received to allow my name to stand for nomination is most gratifying indeed, and I feel my willingness to serve the people of this constituency in public office justifies my decision to go before the electorate.

I invite my friends and associates to support my nomination on November 10 in Morinville Recreation Centre.

For information regarding nominations etc., contact any one of my campaign committee members: Mr. Lawrence Kluthe, Morinville; Mr. Neil Ross, St. Albert; Mr. Stan Walker, Calahoo; Mr. Jack Harrold, Namao.

Rod to attend Ottawa Conference

Rod Woodcock, 23 year old second year student at the University of Alberta, has been elected one of six delegates to attend the National Liberal Convention in Ottawa on November 20.

Rod, who lives at 19 Seymore Crescent, is president of the St. Albert Liberal Association. He will represent Edmonton West at the conference.

Card of Thanks

Thank you to the people who supported the Sturgeon General Hospital Auxiliary Tag Day, helping us to reach our aim in the purchase of additional furnishings for the hospital.

Schools are for People Too !

AN OPEN LETTER TO PARENTS AND TAXPAYERS
ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT 6

At election times it seems that every candidate for public office makes a solemn promise to do "something" about taxes and/or the high cost of running our schools. It's never too clear just what that "something" will be.

AS A PARENT AND TAXPAYER I am concerned about school taxes and the rising costs connected with education BUT I am also aware of the need, for very careful study by the School Board, of the effects that any arbitrary tax and budget cuts can have on all the people served by the schools. People -- like our children, our mothers, our Sunday-schoolers, our businessmen, our Town Recreation groups, our teachers and staff -- all are affected when the school program and operation are altered in any way.

AS A CANDIDATE FOR SEPARATE SCHOOL TRUSTEE I will undertake to control school costs in several specific ways which, at the same time, will improve the whole school operation and permit it to efficiently serve the People of our Town and District.

HERE IS HOW I BELIEVE IT CAN BE DONE...
HERE IS HOW I INTEND TO GET IT DONE

* Our schools cannot go on being all things to all men. The Government of Alberta has put the brakes on the school funds and taxes and rightly so. It is up to the People and the School Board to decide what is to be taught and in what priority. I want the School Board to establish specific educational goals for the District so that our students, our parents and our taxpayers will know what we can offer, and how much it will cost over the long run.

* Teachers should teach! Right now we are paying them to teach a little every day and do a lot of other chores as well. Tasks such as administration, supervising study-periods, lunch hour control, materials preparation could be done by other good people of St.Albert. In the future we can engage teachers to teach, the career they have prepared themselves for. We won't need as many per 100 students but there will be more teaching than ever before. Our present total teacher cost per student will go down and everyone will benefit...not least the students.

* There is no reason why our students shouldn't learn by working! Our schools need all kinds of help....in the libraries, for maintenance, in study supervision, in the District Office. Agreement with the staff Union and the Teachers' Association is all that is needed to give many students work experience and pocket money...and at a saving to our taxpayers.

* St.Albert parents and professional women and men have a world of knowledge and experience to share with children. I want to see the schools open the doors to let some of that real-world knowledge get in to the students.

* On January 1st.1971, a Separate School District Budget Performance System which I propose will go into operation. Day-to-day control over the District's dollar commitments will become a routine matter instead of an annual budget fight.

* A Planned Programming and Budget System, using established techniques, is a proposal I will ask the School Board to study and put into use. In this way school dollars can be seen to be put to proper and controlled use and that use evaluated to show that programs achieve their purpose.

* The people of St.Albert now benefit from the use of some school facilities made available through the Joint-Use Agreement with the Town and the Public School Board. I want to see that this Agreement is broadened so that other areas and equipment in our school buildings can be used for adult education and recreation.

* Taxes went down in 1970. At least your school taxes did! The only way they will go down in 1971 is for efficient cost control to be employed over agreed-upon programs which the electors have said they want to have in our schools.

IF YOU AGREE THAT THESE IDEAS AND PLANS SHOULD BE PUT INTO ACTION, THEN I REQUEST YOUR SUPPORT THROUGH YOUR VOTE.

Sincerely,

BILL PENROSE

Separate School Trustee

Planning for St. Albert's Future

This is the second in a series of three articles by Councillor Robert Russell on town policies and planning Opinions expressed are those of Mr. Russell and do not necessarily express the policies and opinions of town council.

Mr. Robert A. Russell who has lived in St. Albert for 6 1/2 years has served on the District #6 school board for two years and on St. Albert town council for two years. He is manager of Vickers & Benson (Western Ltd., an advertising agency).

Space will be made available to other councillors should they wish to use it for an assessment on town affairs.

THE UNIVERSITY

We wanted the university situated in St. Albert for a number of very valid reasons. Now that we have it, we must recognize the fact that we are a university town, and we should be devoting more time to the planning of our boundaries, roadways and utility systems so that we will receive the maximum benefit from the location of this institution.

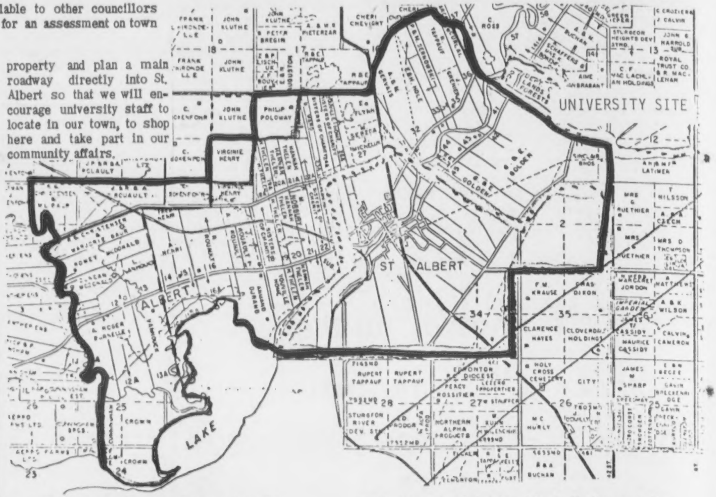
I believe that we should extend our eastern boundaries right to the university property and plan a main roadway directly into St. Albert so that we will encourage university staff to locate in our town, to shop here and take part in our community affairs.

ROBERT RUSSELL

PLANNING

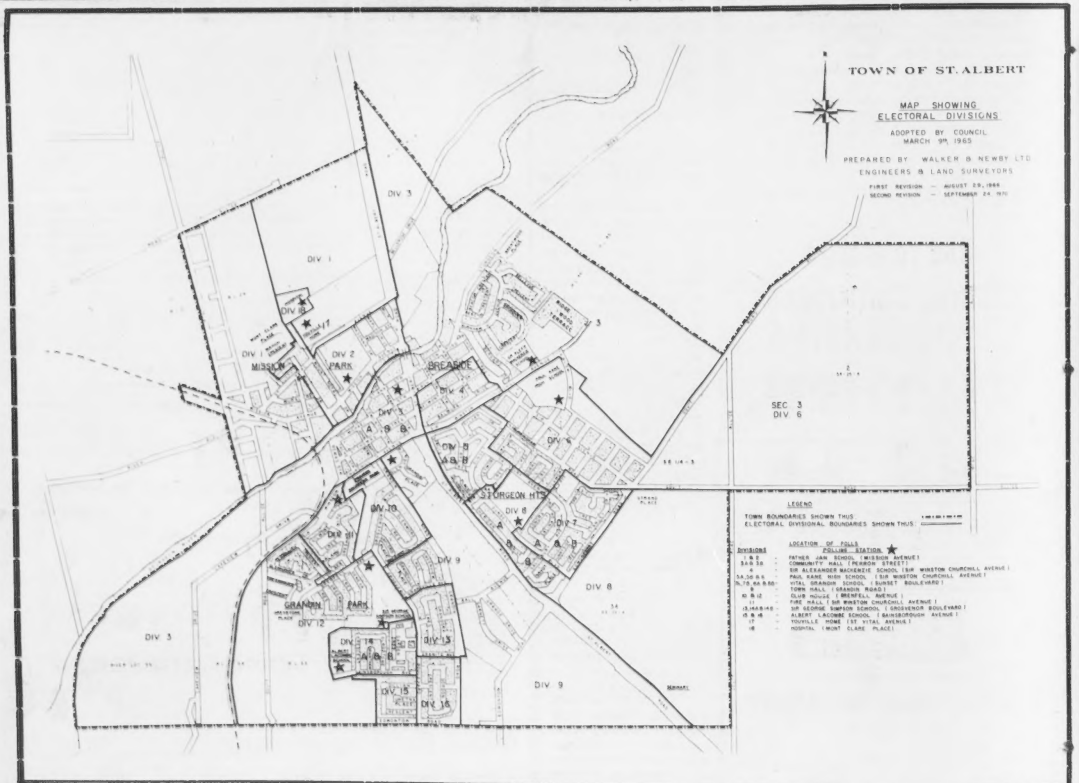
Unless this type of planning takes place, we will annex one parcel after another until we reach the university in any event, but the result will not be the same. We will see a proliferation of small struggling shopping centres scattered throughout the newly developed areas to the detrement of our downtown area. A healthy downtown shopping core complete with a large department store is essential to the economic well being of the town. We do not want, nor should we encourage industry to establish in this area, simply because we need the tax revenue. Instead we should be doing everything possible to encourage the growth of acceptable alternatives and a healthy commercial downtown area is one of those alternatives. If we allow the creation of small shopping centres, we

Cont'd on Page 5



FUTURE BOUNDARIES FOR ST. ALBERT AS PROPOSED BY COUNCILLOR RUSSELL

The proposed boundaries are set out in order to take advantage of some natural geographic and topographical boundaries. To the south: the existing green area. To the east: the new Athabasca University. To the north: the natural height of land. To the west: the river which forms a natural drainage basin and, the inclusion of a portion of Big Lake to give the town an opportunity to have within its boundaries a portion of the lake which could be developed into a future recreation area with access to the remainder of the lake.



Mental Health Speakers at W.I.Meeting

In today's society it is estimated that at some time in their lives one out of every 10 persons will need psychiatric treatment.

This was a fact revealed at last Tuesday's Womens' Institute meeting, when guest speakers were Mr. and Mrs. Roger Davis, of the Canadian Mental Health Association.

Mr. and Mrs. Davis spoke of the acute staff shortage problem and how this was affecting the pathological medical, statistical, and cultural approaches to it.

After question and answer period, the ladies were shown a film entitled: "Plan Ahead for Mental Health." This revealed the many ways in which mental conditions manifest themselves, and how it is possible to help in their treatment. Preserving the dignity and rights of persons undergoing psychiatric treatment is essential, and whenever possible patients should remain in touch with every day life.

The WI business meeting followed with plans for a bake sale at the Safeway on October 10, and the Institute's annual birthday party at the Club Mocombo on October 27.

Around Town

ST. ALBERT LEGION

This Saturday's social evening will feature the local talents of Mr. and Mrs. Alain in a variety of guitar and folk songs.

The first annual snowmobile meeting will be held at the clubhouse by the swimming pool on October 16 at 8 p.m. All snowmobilers are welcome.

** ** **

The Youville Home Auxiliary will be selling tickets at Safeway on Friday for a quilt which they will raffle at their regular meeting on October 25. As well as the raffle for the quilt, there will be a doll raffle and bazarre.

The regular bingo session for the patients of the Home was held last week, and on Tuesday the ladies will hold their regular meeting. They remind all their helpers in their efforts for the bazarre not to forget about the workshop.

** ** **

THE FUTURE OF ST. ALBERT

From Page 4

will still force people to go into Edmonton for their major shopping, and we will lose that much needed revenue that a healthy central downtown core can provide.

TRANSPORTATION

I'm not convinced that we can solve our long term interurban transportation problems by simply pouring more money into roadways. One single rail line is capable of transporting as many passengers as 20 lanes of vehicle traffic, and we should be seriously considering how we are going to move 10,000 people between here and Edmonton on a daily basis within a few short years. This is why we should be doing our planning now, and seeking provincial financial help to secure the necessary right of way for future rapid transit. The automobile contributes some 70 per cent of the pollution to our air and it is not outside the realm of possibility that we might see a ban or partial ban on automobiles which burn gasoline. Whether this happens or not, now is the time to be thinking about the needs of the future.

Mr. Jim Maguire of 8 Springfield Crescent, St. Albert, will be travelling to Los Angeles at the weekend to attend an Occidental Life management seminar, from Monday to Friday.

An agency supervisor with Occidental Life, Mr. Maguire lives with his wife, Mae, and two children, Shannon and Trevor.

Cardiff Column

By Florence Vranas

Mrs. Heather Savard was guest of honor at a farewell October 3 which included a chinese dinner at the Moon Palace.

Mrs. Savard and her two children Darren and Corina will be leaving shortly for Monitor, Alberta, where they will join Mr. Savard. Mr. Savard has gone on ahead and is already employed as foreman of a 3,000 head of cattle, ranch. Their horses will accompany them to their new home and we wish the family as much luck in future gymkhanas

Mrs. Carrie R..kwell was pleasantly surprised last week with a visit from an old school friend and former resident of the Cardiff district, Mrs. Judith (Labrie) McKinley of Athabasca.

Mrs. McKinley now lives in the town of Athabasca since the death of her husband and her daughter is a teacher of home economics at Lacombe, Alberta.

Mr. and Mrs. Romeo Labrie from Jasper were visiting at the home of Mr. and Mrs. Fawcett of Riviere Qui Barre. Mr. Labrie is a brother of Mrs. Ida (Labrie) Fawcett and also the above named Mrs. Judith McKinley, all formerly from the Cardiff district.

At the deepest part of the ocean, the pressure is nearly seven tons per square inch

300 guests at Golden Wedding celebration

Born in Morinville at the turn of the century and married there in 1920, Mr. and Mrs. Arcade Ethier, now living at 26 Mission Avenue, St. Albert, celebrated their Golden Wedding Anniversary here on August 14.

Mass was celebrated at St. Albert Roman Catholic Church where Fathers Levangie and Labelle officiated. The altar boy was the couple's grandson, Noel Ethier.

The bride wore a lace turquoise blue ensemble with white accessories and a yellow baby rose corsage. Her bridesmaid for the second time, Mrs. Floridalafond Haule, wore a blue suit and yellow rose corsage, and second time best man, Mr. Johnny Dupuis of Morinville also attended.

The ceremony was followed by supper at the Club Mocombo attended by 300 guests, with a dance and presentation arranged by master of ceremonies, Mr. Bob Hudson.

Mr. and Mrs. Ethier were farmers in Morinville for several years after their marriage, moving to St. Albert in 1942. Mr. Ethier was in the plastering business here retiring in 1963. They have nine children: Raymond, Wilfred, Lucien and Roger of St. Albert; Florina, of RR2 Leduc; Muriel, Albert and Romio of Langley, British Columbia. They also have 29 grandchildren and seven great grandchildren.

Special guests were: Mr. and Mrs. Dan Valcourt; Mr. and Mrs. Felix Comeau; Mr. and Mrs. Henery Ethier; Mrs. Ovila Gauthier and Mr. Joe Meunier.

The following day the family met at a barbecue given by Raymond Ethier, of 39 Mission Avenue, before leaving for home.

Library receives Wozny gift

Morinville

The library has received a gift of some 90 books from Mrs. Irma Teresa Wozny. Mrs. Wozny wishes them to be known as a gift from her late husband Mr. John Wozny, who was always so intensely interested in the library and its well being.

The books are mostly fiction, the works of many popular authors like Slaughter, Yerby, Raddell, Costain, Alistair, McClean and Mary Stewart. The library board is very grateful for the gift.

On Monday, Sept. 28 a meeting of the book selection committee was held. A list to suit all ages is being compiled, including french books.

To correct a slight error in our last notice, the library hours on Monday's and Thursday's are 2 p.m. to 5 p.m. - not 3 p.m. till 5 p.m.

MOTORCYCLE HILLCLIMB

At the Bon Accord Hill -- 1 mile East and 1 mile South of Bon Accord --

October 11 - 1 P.M.

CALL US FOR AN APPOINTMENT

599-6428

The youngsters were out in full force to launch a new season of Kincinema Saturday afternoon movies for children last week.

Kincinema has started

Kinsmen theatre for kiddies got off to a flying start last Saturday afternoon at Father Jan school. If the numbers of children attending the first show of the season is any indication of things to come, Kincinema 70/71 will be a great success.

Kincinema will run every Saturday afternoon at 2 p.m. from now until spring, so why not have your children attend.

The 24 week schedule will include 10 animated feature length cartoons and the remaining 14 shows are all suited for children.

The admission price will remain at 30 cents and the St. Albert Kinette Club will again be selling potato chips and popcorn curls at the door.

If you should require a movie schedule or any other information please contact one of the following:

Erling Winquist 599-7075; Ben Lemieux 599-8938; Art McDonald 599-8557.

Supervision is provided by a number of Kinsmen at each show.

See you at the movies.

Room for more singers

The St. Albert Singers, our town's community choir, has begun work on an interestingly varied season's repertoire, and invite any interested singers - especially basses, baritones and tenors! -- to join them.

Weekly rehearsals are held every Thursday evening at 8:45 p.m. in the Lower Hall of the United Church. (Please note, old and new members, that for this week only practice will be held at Robert Rundle School at 8:45 p.m.)

Director of the St. Albert Singers is Mrs. Lillian Upright, formerly associate director and accompanist of the Richard Eaton Singers.

Presently the St. Albert Singers are working on Part 11 of Handel's Messiah, which culminates in the mighty Hallelujah Chorus, for a projected performance during Holy Week of 1971.

In contrast with this is the unabashed romanticism of the Brahms' German Folk Songs, the charming settings of some English Folk Songs by Ralph Vaughan Williams, and several interesting Christmas carols.

Behind every man stands....?

How does a woman decide who to vote for? What does she look for in a candidate? The decision is a problem no matter what office is in dispute.

Here is how I go about it. Let's take an example, say, a candidate for public school board trustee. I know what is required for the position but what else does it require of the candidate?

I answered these questions and had no trouble selecting my choice of candidate. The right man should have, in addition to education, ability and integrity, a family that realizes they must sacrifice a good deal of their present enjoyment of his company at home. Children who will respect the awesome silence needed when a budget needs review for the umpteenth time. A wife who willingly resorts to putting out the garbage herself when he is involved in long winded telephone discussions. A mate who will be sympathetic after an irate mother has vented her anger on the trustee in a late evening visit with her children's problem. One who will be ready with the aspirin when negotiations get snarled up.

Above all it is well to remember that when a man gives of himself he is not alone in his efforts. Behind the man must be an equally willing and understanding family if he is to have any measure of success.

Do you consider any of this when you are looking to select a candidate? When I picked Norman Lynch as my choice for school board it was because I found out about these things. Of course I might be a little prejudiced because he is my husband!

RECREATION Hi-Lites

HERCULES SPORTS ASSOCIATION

Coaches and supervisors are going to be needed for both the basketball and table tennis programs which are due to start shortly.

These were two very popular programs last year but without coaching assistance as well as help from parents with supervision they may have to be discontinued.

Basketball, under the direction of Mr. John Field who is an expert coach, will be for boys of 12 - 16 years of age.

Registration date and location for this program will be announced next week.

Table tennis will cater for both boys and girls of 10 and over. Phone the department of recreation at 599-6601 if you are able and willing to help with either program.

SQUARE DANCING

A beginners' class is being held at 8:15 p.m. on Tuesday evenings in Robert Rundle school (behind Sir George Simpson Junior High school on Grosvenor Blvd.) Anyone over the age of 15 who is interested in this class which is being instructed by Sid Deguire should phone Mrs. Johnston at 599-8912.

SING OUT ST. ALBERT

This group got off to a flying start last spring and are ready to go again. They will be meeting for the first time on Thursday, October 8 at 7 p.m. in the Clubhouse. Anyone of 14 years of age and over interested in singing is invited to come along and find out what Sing Out is all about.

SPORTS CLUB

Phone Clay Cutshaw at 599-3415 for information about this club which meets on Thursdays in Father Jan School from 8 - 10 p.m.

The group plays volleyball and aims at having fun - as well as keeping fit.

FAMILY CAMPING

The first monthly meeting of the season of the St. Albert 69'ers Family Camping Club will be held at 8 p.m. on Sunday, October 11 in the Clubhouse (beside the swimming pool). Newcomers to St. Albert will be made very welcome - as well as all "old" members. Coffee will be served and there will be an opportunity for everyone to share their camping experiences over the summer with fellow-campers. Phone 599-8290 for further information about the club.

SKATING

There are still a few openings in programs sponsored by the St. Albert Figure Skating Club - especially power skating. Briefly, the purpose of this program is to train boys to skate with endurance and agility. They learn control and thereby make much better hockey players! It's not only for boys but men as well and fathers are reminded that this would be an excellent father-and-son activity.

Registratios for the learn-to-skate, power skating and figure skating programs are being taken at the department of recreation in the town hall.

YMCA

Basketball for boys and girls between 12 and 16 years of age will start in Sir George Simpson Junior High School on October 13 from 7:30 - 9:30 p.m. On the same day, the boys' and girls' gym class will start in Leo Nickerson School. The 8 - 12 year olds from 6:30 - 7:30 p.m. and the 13 - 15 year olds from 7:30 - 9 p.m. for gym and group games.

Defensive Driving Course

DEFENSIVE DRIVING is the ability to drive so as to prevent accidents in spite of the actions of others or the presence of adverse conditions. Defensive driving is now being taught successfully to private drivers, truck drivers, salesmen, school bus drivers.

VOLUNTEER INSTRUCTORS are needed in this district, willing to teach the Defensive Driving Colrse as a contribution to the community.

QUALIFICATIONS: Candidates should have the ability to give a convincing presentation of the course material to classes of 25 licensed drivers.

INSTRUCTOR TRAINING: Three courses to choose from: Edmonton, October 15 - 16 . . . Edmonton, October 19 - 20 . . . Calgary, October 15 - 16. There is a fee of $5 for persons intending to teach public courses. Employers training a man to teach DDC to company or government personnel, $10 per candidate.

ACT NOW: Phone 422-5122 for an application form, or write:

Alberta Safety Council

10526 Jasper Avenue, Edmonton.

FOR COUNCIL

VOTE

LES MOORBY

TO THE VOTERS OF ST. ALBERT

My decision to run for council was taken last year, and my stand was that I did not want the town of St. Albert ringed around with a high density type of living. I still think the same, they do not enhance the area and if not restricted could become ready-made slums. Don't get me wrong. I am not against the town taking a steady growth. But we must have men or women on council to keep a hard eye on things and to see that what is done is only for the good of the residents of our town. I can assure you that if you think I am the man for the job, I will do just that and take a back seat to no one.

Now we come to annexation. This is as bad to me as the word "condominium". What do we want with Edmonton? In fact, what would we do with it if we had it? I know what they would do with us if they had us. We would become another Jasper Place where it has taken years to fix dirt roads, and I may say they still have them in places. You are right Mr. Russell on your views in the paper onannexation. St. Albert would not be served by amalgamation. I am of the same mind, and I feel sure in saying so, are most residents of our town. St. Albert tax is down this year and Edmonton's is going up, and the rate they are going it will not be long before they have past us, so if I am put on council that is another thing I will be fighting hard not to have happen.

I would also work with any factor who is thinking of development of the Sturgeon River water ways. This could only do good for St. Albert. It may give us a view of our own water for the town, which will make us even more independent from our Big Brother in the south.

Just one thing more, and that is, I would like to get more land set aside in the Sturgeon area for a small corner-type store for our immediate needs although I still like the downtown shopping centers and think they should be developed into bigger and better things and would work for any such development.

If I am elected I know it will be a hard year. I can assure you I will work hard and give my best for St. Albert as I have the time to devote myself to this.

Now you might like to know who I am. Well, I'm just a taxpayer like yourself. I was educated in England and finished my education at the London School of Printing and Economics. I was in the army for three years as a paratrooper, and also an instructor at the Army M.T. College. When I came out of the army I was employed at various national daily newspapers until I moved to Canada in 1957. I started work at the Calgary Albertan. Later I moved to the Edmonton Journal where I became president of the Pressman's Union and vice-president of the Saskatchewan and Alberta Joint Council. For the past four years I have been manager of the North Hill News (Edmonton) of which I am part owner and director.

I am asking you, the residents of St. Albert, for your support on Oct. 14th, to give me the opportunity to do the job on council which I believe I can do.

THANK YOU

Les Hooley

PLEASE COME OUT TO VOTE

MY STAND FOR COUNCIL

I WOULD KEEP A CLOSE EYE ON ANY RE-ZONING OF TOO MUCH LAND FOR CONDOMINIUM AND MULTIPLE DWELLINGS.

NO ANNEXATION

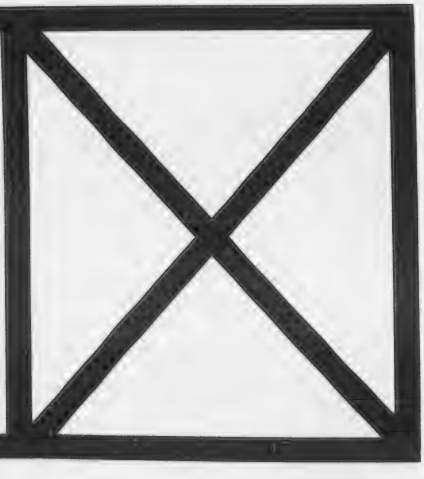
WORK WITH FACTORS WHO ARE THINKING OF DEVELOPMENT OF THE STURGEON RIVER WATERWAYS.

TRY FOR SOME SMALL SHOPPING OUTLET IN STURGEON.

I WOULD ATTEND REGULAR, COMMITTEE AND SPECIAL MEETINGS FAITHFULLY DURING MY TERM OF OFFICE.

I WOULD APPRECIATE YOUR SUPPORT AT THE POLLS ON OCTOBER 14th, 1970.

LES MOORBY



Scouts to hold bottle drive

MORINVILLE: The first fund raising project for the parents committee supporting the Morinville Cubs and Scouts will be a bottle drive on Wednesday, October 14. All citizens are requested to have all pop and beer bottles they wish to donate ready for the boys on Wednesday - 7 p.m.

The group committee recently elected an executive as follows: - Alphonse Nobert, chairman; Mrs. Marge Larson, secretary; Ralph Gaetz, treasurer; Peter Bos, Mrs. Jean Barr, Mrs. Glenda Smyth and Leonard Keith directors.

Morinville Cub Pack No. 1 with Mrs. Lina Keith as leader meet every Thursday at 7 p.m. also upstairs in the arena.

Morinville Cub Pack No. 2 with Mrs. Mavis Allison as leader assisted by Mrs. Joan Bos and Roy Dutuea, Barry Edwards and Miss Donna McDonald, meet every Wednesday at 7 p.m. also in the arena.

MEET THE 1971 CARS FROM CHRYSLER
at your Dodge and Plymouth dealer's today!

1970—it's been great! Chrysler's share of new car sales highest in 14 years! To top it off, exciting new cars for 1971. All quality-engineered for value. You be the judge. Check their styling. Try the comfort. Drive them. That's how we want you to meet our new 1971 cars.

For 1971, the cars from Chrysler have more to offer: more of the styling you like, more of the performance you prefer, more of the dependability and value you want. When you've seen these new cars in person, you'll agree: *it's '71 and Chrysler steps up the action!*

Building on success.
1970 was one of the best years in Chrysler's history. Chrysler's share of domestic new car sales rose to a 14 year high! For the sixth straight year, more people in Canada bought Chryslers than any other luxury car. Plymouth Valiant was the best-selling compact car in Canada. And the combined sales of Valiant and Dodge Dart accounted for over 40% of all Canadian compact car sales!

Competing where it shows.
Chrysler has a long-standing reputation for engineering excellence and we're not afraid to put it on the line: the starting line. Dodge and Plymouth are both active in open competition in NASCAR-sanctioned racing. From the amount of silverware the Dodge Daytona and the Plymouth Superbird have collected, Chrysler engineering is still top-dog.

On drag-strips throughout North America, Chrysler-built cars and Chrysler-powered cars are also consistent winners.

Chrysler Engineering

Over the years, Chrysler's Extra Care in Engineering has developed some major automotive firsts, like unibody construction, Slant-Six engines, torsion bar suspension and Seven-Stage rustproofing. Last year we added Torsion-Quiet ride.

Now, all Chrysler-built full-size and luxury cars, including station wagons, have the extra smoothness and silence of a Torsion-Quiet ride. You have to drive one to appreciate the noticeable difference.

Another development this year: regular fuel engines. Almost all of Chrysler's '71 engines have been modified to use regular grade gasoline—and that includes the large displacement V8's too.

This year, Chrysler engineering has also added a part-throttle kickdown feature for V8's as well as Six's with TorqueFlite transmission. It gives you extra acceleration in city driving by downshifting from drive to 2nd when the accelerator is partially depressed.

What's the action for '71?
There's plenty of it. Exciting things have happened to all our car lines, especially to 1971 Dodge Charger/Coronet & Plymouth Satellite models. For them, there's a brand-new design concept that gives more individuality to sedan and hardtop styling. But you'll catch the excitement yourself, the moment you step into a Dodge or Plymouth dealer's showroom.

Now, please accept our invitation.
Take a trip down to your local Dodge or Plymouth dealer's today. Take a good, long look at the 1971 models. Luxury cars, full-size cars, mid-size cars, compacts and sports cars.

Ask lots of questions. Take a test drive or two. That's what dealerships are for, to let you meet our products face to face. When you do, you'll agree that the 1971 cars from Chrysler have more to offer . . . more of the value you're looking for.

St. Martin still Mayor of Legal

The council of the Village of Legal had their organizational meeting on Sept. 28 1970. The certification of the returning officer, Mrs. Coreen Brisson, was read by the secretary, stating that Mr. Joseph Nault and Mr. Roland Prefontaine had been re-elected councillors of the Village of Legal by acclamation for a term of one year.

Mr. Leon St. Martin was re-elected for the office of mayor and Mr. Joseph Nault was re-elected for the office of deputy mayor both for a term of one year.

The various committees are as follows:

Mr. Nault and Mr. Dube- public works; Mr. St. Martin and Mr. Prefontaine - fire department; Mr. Nault and Mr. Dube - Sturgeon foundation; Mr. St. Martin- hospital board.

The dates of the regular meetings will be the same - the first and fourth Mondays of the month.

4-H Presentation of Awards

The Namao 4-H Beef Club held their annual awards night on September 19 in the Patricia Church basement. The evening started with a pot luck supper enjoyed by all.

Michael Osadchuk gave a report on his trip to Wisconsin, Tom Bowman on his trip to Club Week at Olds and Louise Danard on her trip to the British Isles.

The highlight of the evening was the presentation of awards: Grand Champion to Bob Stott, donated by The Royal Bank; Showmanship to Jack Stott, donated by Cameron Motors and presented by Clarence Stanton; Grooming to Jack Stott, presented by M. Ash; Best First Year Member to Janice Carruthers, donated by Gibbons Frozen Foods; Best Rate of Gain to Don Sweetnam, donated by Master Feeds; Best Judging to Dwayne Ash, donated by J. C. McLeod; Best Kept Records to Tom Bowman, donated by Sunnyside Ladies Club presented by Mrs. R. Coburn; Efficiency Winner to Tom Bowman, donated and presented by Don Danard.

Jack Stott on behalf of all the members, presented a token of gratitude to Mr. and Mrs. Doug Bowman for their much appreciated leadership.

Namao honours family

On Friday evening, Oct. 2 the many friends of Mr. and Mrs. Lindsay Hodgins and family gathered to honor them prior to their leaving the district to reside in Edmonton.

A large crowd enjoyed a delicious pot luck supper followed by a social hour. Mr. Doug Bowman paid tribute to the Hodgins and recalled the great contribution they have made to the community, and to their neighbors. He presented them with a crystal bowl on behalf of all those present.

Everyone wished them well in their new home in Edmonton and it is hoped that Namao and Sunnyside will still see a lot of the Hodgins family.

As I See It

By Rose Martel

Once again groups of volunteers in every part of the large Sturgeon area are back at work, without pay, or government grants, or remuneration of any kind. These are the positive-minded individuals who put humanity before the almighty dollar, and who hope by their actions to make the world a little better place.

Among these individuals are the 4-H leaders, Cubs, Scouts, Brownies, and Guide leaders, Red Cross workers, ice carnival supervisors, swim course supervisors, hockey and ball coaches, sponsors and managers, and similar volunteer workers. I wish to be counted among those who give a vote of thanks to each and every one of these people.

But far more important, I think the time has come for people of this district to make a sound evaluation of what is taking place. Who is actually contributing the most to community achievement? The volunteer who gives time and talent and foots his or her own expense? Or the groups who hold the purse strings of various community projects, but don't make the effort to find out what is needed most. That is the involvement of citizens, young and old in recreational and social programs.

As I see it there are in Sturgeon district three covered ice arenas and large community halls throughout the area, which are ready to serve our needs. But the success of social events is more often evaluated by the amount of liquor served, than by the food for the brain served. And too often grants to recreation boards are not used to fulfill the real community role they should. Sometimes it's a case of too many chiefs and not enough indians on local boards. The unassuming but hard-working volunteers deserve the heartiest congratulations.

Morinville district

Last Saturday afternoon Adolph Menninger, 67, along time resident of the district was killed instantly when the tractor he was riding overturned two miles west and two miles north and half a mile east of Sandy Beach.

He is survived by one son Fred of Edmonton and two grandsons, Wayne and Denis in Morinville. Funeral services were held in Edmonton and interment followed in the Mount Pleasant Cemetery, beside his late wife who preceded him nine years ago.

The Morinville CWL members visited the residence of the Rev. Sisters this past week in a surprise house warming social. Some 15 members called in the evening and a very pleasant soiree was enjoyed. Rev. Sister Joan Morin, Superior was presented with a beautiful bouquet of flowers. Sister Joan and Sister Karen entertained with songs and a lunch was served.

The teaching staff of Thibault schools gathered after school last week for a social hour in honor of the retirement of Rev. Sister Germaine Boivert, FJ, who has served 16 years as local school teacher.

Next Sunday an appreciation tea on the occasion of the departure of Sister Boivert will be held in the Morinville Centre beginning at 2 p.m. This is a public tea and everyone is most welcome.

Mrs. Alice St. Germain, was feted last weekend on the occasion of her 82nd birthday with a family gathering in Morinville. All her living relatives with the exception of two nieces and one nephew outside of Alberta were present. Petite Nicole St. Germain presented her great grandmother with a beautiful corsage and her eldest grandson Mr. Guy St. Germain proposed a toast on behalf of the family.

Another pioneer of Morinville is celebrating an anniversary this week. Mrs. Louise Lemieux will be 87 years young on Saturday, October 10.

Among those reported in hospital this past week were Mr. John Gauthier, Mrs. Yvonne Wiley, Mr. Cheri Chevigny, Mr. Moe Butt.

The first Sturgeon Auxiliary Hospital Tag Day was held last Saturday in Morinville. Auxiliary members and candy stripers were out in force. Total results locally are reported by convener Mrs. Rhonda Stapleton to be over $120.

Mr. and Mrs. Ross Yelland and family are spending their annual holidays in Summerland, B.C.

The harvest operations came to a complete stop on Sunday when rain showers and wind began in the district. According to elevator agents in the district over three quarters of the harvest is finished.

A reminder to all the good citizens who wish to support the Scouts and Cubs, to have their bottles ready on Wednesday evening, Oct. 14.

NOTICE OF COMPLETION OF LIST OF ELECTORS

Notice is hereby given under the provisions of the Municipal Elections Act, that the list of electors of the Town of Morinville has been prepared and that a copy of the said list of electors is posted in the following places:

TOWN OFFICE
POST OFFICE
ROYAL BANK

Any qualified elector may during regular business hours make application to the Municipal Secretary for the correction of any error or ommission in the said list of electors by application to the Municipal Secretary on or before the 6th day of October, 1970.
Dated at Morinville this First day of October 1970

Paul E. Brochu
Municipal Secretary

Notice of Poll

MUNICIPAL ELECTIONS 1970

TOWN OF MORINVILLE

Public Notice is hereby given that Polling will take place for the Election of Councillors on Wednesday, the 14th day of October, 1970 from ten o'clock in the forenoon until eight o'clock in the afternoon at the following place or places — TOWN OFFICE — and at the same place, time and date above mentioned, Poling for (a)member(s) of the Board of the Thibault R.C. Public School District will take place. And that I will at Town Office on Friday the 15th day of October 1970 at 11 o'clock in the forenoon sum up the votes and declare the result of the Election.

Given under my hand at Morinville this 17th day of September, 1970.

P. E. Brochu,
Returning Officer.

Notice

VILLAGE OF LEGAL

TO WHOM IT MAY CONCERN

The council of the village of Legal wish to advise that the Water Reservoir will be locked up effective October 15, 1970 due to water control.

The key may be obtained from Legal Motors from -- 8 a.m. - 5 p.m. only Monday - Saturday.

Agnes Montpetit,
Secretary Treasurer.

Winners of the first St. Albert Softball tournament proudly display their trophy. Back row, left to front: Yvonne Byl (captain); Debbi Reinbold, Terri Webber, Marian Reinbold (coach), Cathy Fowler, Susan Pavalich, Mary Williams, Betty Kramps. Front row, left to right: Linda Brown, Cindy Reinbold, Lori Sinclair, Donna-Mae Sander, Pauline Ouellette, Trudy Reinbold (bat-girl).

Sluggers slug to 8 - 7 victory

In Sunday afternoon's downpour, the St. Albert Sluggers emerged the winners of the St. Albert Softball Trophy when they defeated the Colts in the final leg of the first St. Albert softball tournament for girls aged 8 - 14.

Mrs. Robin Vargo who teaches at Albert Lacombe school organized the competition which began in May. Six teams took part until only the Colts, coached by Mr. Murray, and the Sluggers, coached by Mrs. Marian Reinbold, were left in the competition.

In the winning game, with umpire Mr. Larsen in charge Terri Weber of the Sluggers made a tie and Debbie Reinbold got the extra run needed to bring the score to 8 - 7 for the Sluggers.

Mrs. Reinbold, the victorious team's coach, said: "We're on our way, now that we've really got organized. This year's matches were just within St. Albert, but next year we hope to start early and play other towns. The kids are really enthusiastic."

Sturgeon schools awards night

Four grade 12 Sturgeon students have won scholarships of $200 each, and six grade nine students will each receive $25 scholarships. Their awards will be presented at an Awards Night on Friday, October 23, at 8 p.m. at Horse Hill School in the Sturgeon School Division.

In addition, 53 students in grades nine to 12 will receive medals and pins for their academic work during the 1969-70 school year. The Sturgeon Local of the ATA will present an award to a grade nine student from each school within the local, and the Mary Anne Tanasiuk Memorial Scholarships will also be presented.

A varied program of entertainment from the different schools within the division will be presented.

This is open to the public, and all parents are encouraged to attend.

A filing cabinet has been defined as a system for losing things alphabetically.

Secretary replying to typing inquiry: "How many words I type a minute depends on whether they are big or little."

Patient: "Doc, tell me in plain English exactly what's wrong with me."

Doctor: "You are just plain lazy."

Patient: "Now could you give me the medical term to tell my friends."

Seven off to Banff-men's conference

Seven St. Albert men have already registered their names to attend the United Church's 16th annual Banff Conference for the men of Western Canada at the Banff School of Fine Arts from October 16 - 18.

They are: Dr. William Cuts of 6 Greengrove Drive; Mr. Jerry Tookey of 17 Greenwich Cres.; Mr. Elmer Harrison of 6 Gainsborough Ave., Rev. Len J. Musto of 3 Grandin Place; Mr. Jack Fleming of 138 Grandin Road; Mr. Barry Breadner of 31 Sunnyside Crescent, and Mr. Bert Downes of 7 Gladstone Crescent.

The list is still open to additions, and any men who are interested should contact either Mr. Musto at 599-8259 or Dr. Cuts at 599-3101.

The theme of the conferance will be "The Chosen Pew" and the speaker will be the Rev. Cliff Elliott, of Metropolitan Church, Toronto, the former minister of Robertson Church, Edmonton. Nationally known for his oratory, writings, and dynamic inner-city ministry, Mr. Elliott will explore the idea that perhaps in the church of the future the pew will play an even greater part than the pulpit.

This conference has had a remarkable record of good attendance and impact on the lives of men. Each year many return for more, and many come for the first time, to experience Banff's inspiration and fellowship.

All eyes are on the ball in the opening game of the Hercules Peewee Challenge Cup series between the Lancers and Chargers. Lancers won the game 5 - 0.

Parents, teachers "gambling" night

Sir Alexander Mackenzie High School had - in the words of its principal, Mr. Rod Throndson, "a rather unique meet the parents night" on Friday, when 210 parents of children from all grades met with teachers for a 'gambling night.'

Each person was issued with $2,500 worth of phoney money, and they then made the rounds of the gaming tables, wheels and blackjack tables. When the 'money' was refunded, the three people with the largest sums left were given prizes.

Entertainment by the staff followed. A quartet, consisting of Mrs. Gail McIntyre, piano; Mr. Gerry Buccini, saxaphone; Mr. Hugh Phillips, trombone; and Mrs. Donnaleen Angus, harp; played and sang to the parents, and this was followed by a dancing display, given by science master Mr. Laurence Kenkan.

Peewee soccer cup play

Opening round of the challenge cup got under way last Saturday in St. Albert with Flyers and Lancers posting shut-out victories.

Dallas Zahara and Steve Legett scored for the Flyers as they defeated Saints 2 - 0.

The Lancers were led by the three goal performance by Brian Kathol with singles coming from Bruce Rae and Brian Hamper. Jim Hamper was in goal for the shut-out as they won 5 - 0 over the Chargers.

Next Saturdays play has Chargers against Saints and Lancers taking on the Flyers

Games are at Grandin Park and Sir Alexander Mackenzie pitches.

Atoms ready for challenge cup

The Hercules Atom Challenge Cup soccer action gets under way this Saturday in two divisions.

Division A series has Hawks playing the Falcons at 1 p.m. on the Sir George Simpson pitch and at the same time on Grosvenor pitch, Tigers take on the Lions.

Division B action has Spurs against Bomber at Sir George Simpson and Rangers taking on Mustangs at Grosvenor. Both games start at 2:15 p.m.

This is a three game round robin series with the team that gains the most points winning the challenge cup in their respective divisions. In the event the teams tie on points, the team scoring the most goals will be declared the winner.

Little Things Add Up

One little thing
That adds up to a lot
Is marking a ballot
With pride and with thought
Surely St. Albert is not
In a stupor
A 90% turn-out
Would be simply super!

Good today... better tomorrow

Canada Savings Bonds

An investment that grows and grows

7¾%
average annual interest to maturity

Canada Savings Bonds help you plan ahead—look to the future without worry. They're Canada's most popular personal investment.

Canada Savings Bonds are easy to buy for cash or on instalments, in amounts ranging from $50 up to $25,000.

Canada Savings Bonds are cold, hard cash—instantly. They can be redeemed any time at their full face value plus earned interest.

Canada Savings Bonds are safe—backed by all the resources of Canada. They're a very special security.

New Canada Savings Bonds yield an average of 7¾% a year when held to maturity.

Each $100 Bond begins with $6.75 interest for the first year, pays $7.75 interest for each of the next three years, and then pays $8.00 interest for each of the last seven years.

On top of this you can earn interest on your interest. You can make each $100 grow to $227.50 in just eleven years.

That's why we say, Canada Savings Bonds are good today, better tomorrow; an investment that grows and grows.

Buy yours today where you work, bank or invest

CS-70-23

Elmer Harrison is Province's New Human Rights Officer

After four years as St. Albert's Director of Preventive Social Services, Mr. Elmer Harrison has resigned his job with the town to serve the province as a whole, as the new Human Rights Officer, under the Department of Labour.

Although his work is taking him out of St. Albert, Mr. Harrison will continue to make his home at 6 Gainsborough Avenue, with his wife, Dorothy, and two children still at home, Betty, aged 17, and Pamela, 11.

As vice-president of the St. Albert Ministerial Association, and sitting on the boards of the Alberta Council on Aging, the St. Albert Community League and the

ELMER HARRISON

Lions Club, Mr. Harrison has taken, and will continue to take an active part in the life of the community. He says: "I love St. Albert. People here are in a small enough atmosphere and environment to care."

Mr. Harrison's career in local government began in 1948 in San Francisco, when he was appointed that city's recreation director. He then moved to Edmonton Parks and Recreation department, and from there, in 1966, to his present post which he will vacate on October 30.

In such a comparatively short time in office here in St. Albert, Mr. Harrison has accomplished a good deal. A change he himself has noticed is the way in which people are becoming more concerned about their rights and the means they have to obtain and protect them.

Says Mr. Harrison: "I have really enjoyed my work here, and I view my new appointment rather as an extension of it. I owe a great deal of thanks to the ordinary citizen who has backed me and helped me set up programs. These have been an extremely rewarding four years for me."

THANK YOU

Buxton Real Estate Ltd

Buxton Real Estate Ltd. wish to thank Mayor Ray Gibbon for officiating at their open house Saturday, and members of the public for helping to make their opening a happy and successful occasion.

YEARBOOK

The Yearbook committee reports that it is off to a good start this year towards raising money, which will be used to purchase developing equipment for its darkroom.

They are sponsoring a bake sale next Friday, Oct. 16 at Safeway from 5 p.m. to 9 p.m., and are asking for donations from any student in the school. Anything in the form of pies, cakes, cookies, squares, fudges, or home-made candies will be welcomed.

(Remember, the Yearbook Club provides a service to you the student, so please help in any way you can to make the bake sale a success.)

Items should be brought to Room 14 or the Yearbook room on Friday, Oct. 16.

The tickets for the promotion drive for the Twin Theatre will be on sale every noon hour from now until Oct. 13.

As an added project, and a convenience to every student, the Yearbook staff will also be selling student directories in the near future. The price of these will be 25 cents each. Watch the Newsletter for further details on this.

CURLING

The regular curling season starts on Oct. 14. That's just one week away. If you want to curl sign the list on the student activity board.

CROSS-COUNTRY

The junior high meet will be run on Thursday, Oct. 15 at St. Albert High. It will include all the junior high schools in St. Albert.

The senior high zone meet will be run at Hinton on Saturday, Oct. 17. See Mr. Brian Kupsch if you are interested in attending this meet.

HOLIDAY COMMUNITY VOLUNTEERS

This past summer over 10 per cent of the students of SAHS travelled across Canada from Notre Dame du Nord, Quebec, to Vermont, B.C. People say the HCV is a form of "spreading the gospel" -- well, if peanut butter fights, and outdoor toilets are "spreading the gospel" we'll have to do it more often.

The reserves that became home to the students have become something special to each individual. Maybe it's the memories of horseback riding backwards, hands grabbing at the semi-cooked chicken lying on the grass, hiking through swamps, becoming a mother to 150 great kids. Maybe it could be something else.

For all those interested in participating in HCV next summer a meeting will be held on Friday, Oct. 9. It will be announced as to where this meeting will be held.

JUNIOR HIGH ELECTION RESULTS

Ray Telford, president; Suzanne Grieve, vice-president; Janet Perras, secretary-treasurer.

Town of St. Albert

NOTICE

Notice is hereby given that the council of the Town of St. Albert deem it advisable to close and sell that portion of the walkway between 42 Gresham Boulevard and 44 Gresham Boulevard.

Section 175 of the Municipal Government Act, Chapter 68, 1968 as amended provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #30/70 has been prepared and will be presented to council on October 26, 1970 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on October 7, 1970.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned walkway shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until October 22, 1970.

D. B. O'Connell,
Secretary-Treasurer.

Thrilling bike climb

"Three hours of Motorcycle Madness" is how the Edmonton Motorcycle Club describes the hill climb event at Bon Accord, and to the uninitiated that is exactly what it looks like. When spectators - and for that matter, riders - see the hill for the first time they can hardly believe a motorbike can make it over the top. Lots of them don't - and there is a strong and agile crew at the top to give fast help lowering the luckless riders and bikes back down.

The hill climb goes at 1 p.m. Sunday at the hill one mile east and one mile south of Bon Accord.

Each rider will have three attempts at the climb and the event should last roughly three hours.

Oddly enough there have been few accidents other than minor ones, over the years the event has been held, and very few injuries.

Last year's winner was Dean McFayden of Lethbridge, and Rex Turple, well known rider and hockey star of Red Deer, has won the event several times.

From the spectator's point of view the hill climb events are the most popular, and the hill near Bon Accord is ideal for providing plenty of thrills and chills. From a sheltered meadow at the base of the hill, fans can watch in comfort as the riders attempt what looks like an impossible feat.

From the riders' point of view, flat track racing events are probably the most popular.

Two St. Albert riders, Gordon Patterson and Ken Klifford have entered the event, Ken for the first time.

Gordon's best event is the scrambling (or motorcross) which he won last year in the 125 c.c. class.

PASTOR - D. DEUTSCHLANDER

Dr. Metz - the vet with the varied career

A native of Rotterdam in the Netherlands, Dr. Elizabeth Metz, St. Albert's new veterinary surgeon had a varied career before she opened the St. Albert Animal Clinc.

After attending high school in Rotterdam, Dr. Metz became a student at the Art Academy, Rotterdam. She moved to England, where she worked at a stained glass studio for one year after graduation and then emigrated to Canada working as a commercial artist for an Edmonton printing firm.

It was while she was employed as a commercial artist that Dr. Metz decided to adopt her second career, and that of a veterinarian. She completed one year's pre-medical training at the University of Alberta and then enrolled at the Ontario Veterinary College, Guelph, Ontario, where she obtained her Doctor of Veterinary Medicine degree.

While still a student, Dr. Metz did vacation work at animal clinics in Edmonton, Vancouver and Prince Albert Saskatchewan. After qualifying she practised in Prince Albert and Medicine Hat.

Having the rare combination of a training both in art and veterinary medicine, Dr. Metz sometimes assists the University of Guelph by making medical illustrations of new surgical techniques.

DR. ELIZABETH METZ

At her Edmonton home Dr. Metz has a two-year-old German Shepherd bitch and three cats, aged 10, 14 and 15. She feels strongly opposed to hunting for pleasure and does not agree with small children being given pets as living toys. She does, however, like the idea of older children being taught the responsibility of caring for a pet.

Dr. Metz says: "During the few months of becoming acquainted with St. Albert I have found it an attractive pleasant place. I hope to have a long and happy association with the animal owners of St. Albert.

Legion Corner

The regular monthly meeting was held Monday, October 5 in the Legion Hall. Unfortunately there was not enough members in attendance to form a quorum so the business was just passed on as information.

Its very disturbing that with a regular membership of well over 100 ex-servicemen that only a handful support these meetings. Think about it comrades, how many meetings have you attended this year?

The tickets for the Remembrance Day dance are now available at 55 Grandora Crescent, Tompkins Hardware store or Saturday nights at the Legion Hall. The price - $4 each. The place - Club Mocombo.

Town and Country Blazes

With Fire Prevention Week only a few days away, the last week in September proved a busy one for fires.

Grass and stubble fires, probably caused by last week's combination of warm, dry weather and a high wind, occurred in the country, and on September 27 and October 1st St. Albert Fire Brigade were called out to two such blazes. One was a mile west of town and the other was a mile north of 137 Avenue and 42 Street, where a truck load of straw went up in flames.

The last day in September was a busy one for the firefighters with four calls, two in the municipal and two in the town. Out in the country an alfalfa crop was damaged by fire and in town St. Albert Garage and front end loader on Lakeview Drive were also damaged.

Buxton Gallery of Homes Open Town Office

A new real estate office opened its doors to the public on Saturday afternoon to specialize in St. Albert and district property.

Buxton Real Estate Ltd. was incorporated in 1958 and opened its first office in West Edmonton. The operation has grown rapidly and Buxton is now one of the city's most successful real estate firms. Since joining the Medallion Mortgage Corporation group of companies, and obtaining the Gallery of Homes franchise, Buxton has begun a further expansion program and new offices have been opened in Southeast Edmonton and St. Albert.

The firm has always accented personal service and this tradition will be followed by the staff of the St. Albert office. They are Mr. Ken MacCrimmon, Mr. D. L. Copeland, Mrs. Vicki Connie and Mrs. Dianne Nichol.

Buxton Real Estate, led by Mr. Ray Buxton, uses the gallery concept of merchandising property. Lighted shadow boxes show the prospective buyer a wide variety of house designs. From this artistic display, arranged gallery style, the customer can select one or more types of homes which he would like to be shown.

There is no hard sell technique used and the concept allows the buyer to do his preliminary selecting right in the comfortable surroundings of the office, at considerable saving of time.

The office is laid out in a home-like atmosphere with comfortable furniture and the public are invited to browse at their leisure. Many took advantage of the opportunity to do so at Saturday's opening.

A good turn-out of local people, including Mayor Ray Gibbon, called at Buxton's new Perron street offices to meet the staff, tour the premises and enjoy coffee and refreshments. Also on hand were many visiting real estate people from all parts of Canada, who are part of the Gallery of Homes organization.

The ribbon falling from Mayor Ray Gibbon's hand marks the official opening of Buxton Real Estate's Gallery of Homes in St. Albert. From left are local staff member Dianne Nichol, Ray Buxton president and general manager of Buxton Real Estate Ltd., Mr. Gibbon, Mr. Warren Stroeder, president of the parent company, Medallion Mortgage Corporation and Mrs. Vicki Connie also a local staff member. Ceremony took place Saturday afternoon during Open House at the firm's new premises on Perron street.

Curling School plans

The St. Albert Curling Club has made arrangements for a series of curling instruction classes to begin October 17 and carry through four consecutive Saturdays. There will be no charge whatsoever and the club is giving its fullest support to the curling school. These will be the future curlers in the club and it is hoped a good number of new and inexperienced people will take advantage of the classes

Capable instructors from the mens' club will be on hand to demonstrate and explain how the game is properly played and the executive hopes to have some films available to aid the instruction.

Three classes will be held on each of the four Saturdays: junior high students from 9:30 a.m. till 12 noon; high school students from 1 p.m. till 3 p.m. and ladies from 3 p.m. till 4:30 p.m.

Working with the four school leagues are Brian Kupsch, St. Albert High; Glen Reid of Paul Kane; Lil Maclean from Mackenzie and Brian Mansen from Simpson junior high, and it is expected these people will drop in on some or all of the classes for students.

rummage sale

MORINVILLE: The annual rummage sale sponsored by the Morinville Mother's Local to support the work of guides and brownies in Morinville will be held in the Morinville Centre on Monday, Oct. 19 and Tuesday, Oct. 20. All donations will be greatly appreciated as the rummage sale is the main fund raising effort by the Mother's Local for the entire year. Donations may be left at the following depots in Morinville: Mrs. Jo Anderson (new bungalow south of library); Mrs. Jules Carignan; Mrs. Zel McDonald, or at the Robert Lapointe residence.
